INSTITUTIONAL AUSPICES, ENDORSEMENTS, PARTNERSHIPS & PATRONAGES REQUESTED

University of Genoa.

Department of Surgical Sciences & Integrated Diagnostics - DISC, School of Medical Sciences and Pharmaceutics.

Director: Prof. Franco De Cian.

Chair of Plastic, Reconstructive and Aesthetic Surgery.

Director: Prof. Edoardo Raposio.

International Society of Lymphology - ISL.

President: Prof. Miguel Amore, Buenos Aires, Argentina.

Secretary General: Prof. Marlyns Witte, Tucson, Arizona, USA.

WORLD LYMPHEDEMA DAY

INSTITUTIONAL AUSPICES, ENDORSEMENTS, PARTNERSHIPS & PATRONAGES REQUESTED

ISL Italian & Latin-Mediterranean Chapters.

Chairman: Prof. Corradino Campisi, Genoa, Italy.

American College of Surgeons - ACS Italy Chapter.

Governor: Prof. Alessandro Paganini, Rome, Italy.

President: Prof. Nicola Di Lorenzo, Rome, Italy.

ACS Honorary Fellow: Prof. Antonio Di Cataldo, Catania, Italy.

European Society of Lymphology - ESL.

President: Prof. Francesco Boccardo, Genoa, Italy.

International Society for Experimental Microsurgery - ISEM.

President: Prof. Mihai Oltean, Gothenburg, Sweden.

International Lymphedema Framework - ILF.

President: Prof. Christine Moffatt, Nottingham, UK.

Italian Lymphedema Framework - ITALF.

President: Prof. Sandro Michelini, Rome, Italy.

Lymphatic Education & Research Network.

Chairman: Dr. William Repicci, New York, NY, USA.

Italian Society of Surgery - SIC.

President: Prof. Francesco Basile, Catania, Italy.

v-WIN Foundation for Phlebology, Lymphology & Aesthetics.

Chairman: Prof. Sergio Giancesini, Ferrara, Italy.

Italian Society of Microsurgery - SIM.

President: Prof. Nicola Felici, Rome, Italy.

Italian Society of Phlebology - SIFL.

President: Prof. Maurizio Pagano, Salerno, Italy.

Italian Federation of General Medicine- FIMMG.

President: Dr. Giacomo Caudo, Messina, Italy.

WORLD LYMPHEDEMA DAY

Italian Society of General Medicine and Primary Care - SIMG.
President: Prof. Claudio Cricelli, Florence, Italy.

Medical & Odontoiatric Register of Genoa.
President: Prof. Alessandro Bonsignore, Genoa, Italy.

SCIENTIFIC PROGRAM

10.00 - Opening Welcome.
Corrado Campisi (Genoa), Edoardo Raposio (Genova)
Miguel Amore (Buenos Aires, Argentina) - ISL.
Marlys Witte (Tucson, Arizona, USA) - ISL.
Christine Moffatt (Nottingham, UK) - ILF.
Sandro Michelini (Rome) - ITALF.

Chairman: Corrado Campisi (Genoa)

10.15 - Dialogue between Physician and Patient.
Corrado Campisi (Genoa)

10.35 - Genetics and Lymphedema.
Sandro Michelini (Rome)

10.45 - Diagnosis of Lymphedema: Tips and Tricks.
Alberto Macciò (Savona)

10.55 - The relevance of an integrated multidisciplinary treatment.
Introduction: Corrado Campisi (Genoa)

11.05 - Manual and mechanical lymphatic drainage.
Marina Cestari (Terni)

11.15 - Phytotherapy.
Mirko Tessari (Peschiera del Garda, BS)

11.25 - Elastic stockings and multilayer functional bandaging.
Mirko Tessari (Peschiera del Garda, BS)

WORLD LYMPHEDEMA DAY

SCIENTIFIC PROGRAM

11.35 – Cardiovascular and muscle-skeletal adjustments of phlebo-lymphological patient in aquatic thermal environment.
Erica Menegatti (Ferrara)

11.45 – Genoa protocol and new frontiers.
Corradino Campisi (Genoa)

12.00 – Anaesthesiological management of the surgical Patient.
Luca Cevasco (Genoa)

12.10 – Surgical management of Lymphedema.
Corrado Campisi (Genoa)

12.15 – Tissue changes in the progression of the lymphedematous pathology.
Ezio Fulcheri (Genoa)

12.25 – Remedial physical exercise and Lymphedema: home tips and gym tips.
Corrado Campisi (Genoa), Silvano Zanuso (Cesena)

12.35 – Surgical instruments.
Emanuela Campanella, Bianca Raffo (Genoa)

12.45 – Q&A
Alexandros Boutseros (Genoa), Alessandro Busetto (Venice), Corrado Campisi (Genoa), Guido De Filippo (Caserta), Simone La Padula (Naples), Michele Maruccia (Bari), Alberto Onorato (Udine), Giovanni Papa (Trieste), Maurizio Pagano (Salerno), Vittorio Ramella (Trieste), Luigi Troisi (Milan).

13.15 – BREAK

14.15 – Lymphedema and related specifics.
Introduction: Corrado Campisi (Genoa)

14.25 – Lymphoscintigraphy as gold standard in the diagnosis.
Giuseppe Villa (Genoa)

WORLD LYMPHEDEMA DAY

SCIENTIFIC PROGRAM

14.35 – Practical advise of an alimentary regimen.
Samir G. Sukkar (Genoa)

14.50 – Oncology and Lymphedema.
Grazia Armento (Roma)

15.00 – Veins and Lymphedema.
Corradino Campisi (Genoa)

15.10 – vWIN foundation road from v-WINter DUBAI: ‘connecting Experts, informing Patients’.
Sergio Giancesini (Ferrara)

15.20 – Lymphatic Education & Research Network (LE&RN).
William Repicci (New York, USA)

15.30 – The role and the relevance of the “social network”.
Anna Maisetti (Brescia)

15.40 – Q&A.
Alexandros Boutseros (Genoa), Alessandro Busetto (Venice), Caterina Campisi (Pontresina, Svizzera/Genova), Corrado Campisi (Genova), Mirko & Corrado Michele Campisi (Catania), Mario Cherubino (Dubai, Varese), Guido De Filippo (Caserta), Lidia Molinari (Genoa) Alberto Onorato (Udine), Maurizio Pagano (Salerno), Mara Tacchella (Genoa).

16.00 – The voice of the Patients.

16.30 – “Take Home Message”.

16.35 – End of the Meeting.
Corrado Campisi (Genoa)

WORLD LYMPHEDEMA DAY

FACULTY

Miguel Amore

President of the International Society of Lymphology, Vascular Surgery, Lymphology & Phlebology, Military Hospital, Buenos Aires - Argentina.

Grazia Armento

Medical Oncology, Policlinico Universitario Campus BioMedico - Rome.

Alexandros Boutseros

Anesthesiology, Genoa & ICLAS Rapallo.

Alessandro Busetto

Lymphatic Surgery, Mestre, Venice.

Emanuela Campanella

Nursing, GVM Care & Research, ICLAS Rapallo, Genoa.

Caterina Campisi

Dermatology, Pontresina Svizzera / Genoa.

Corradino Campisi

Full Professor of Surgery (2004-2018), DISC - University of Genoa, Chairman of the Past President Advisory Board of the International Society of Lymphology (ISL), President of The Italian and Latin Mediterranean Chapter - Genoa.

Corrado Campisi

Adjunct Professor of Plastic Surgery, University of Catania. Plastic, Reconstructive and Aesthetic Surgery, Lymphatic Microsurgery - GVM Care & Research, ICLAS Rapallo, Salus Hospital Reggio Emilia & Genoa.

Mirko & Corrado Michele Campisi

Clinical Lymphology, Catania.

Luca Cevasco

Anesthesiology, Genoa & ICLAS Rapallo.

Mario Cherubino

Associate Professor, Plastic, Reconstructive and Aesthetic Surgery, Varese & Dubai.

WORLD LYMPHEDEMA DAY

FACULTY

Guido De Filippo

Clinical Lymphology, Caserta.

Antonio Di Cataldo

Honorary Fellow American College of Surgeons, Italy Chapter, University Full Professor of General Surgery, Catania.

Marina Cestari

Italian Lymphedema Framework, Lymphology, Terni.

Ezio Fulcheri

Anatomo-histo-pathology, DISC - Gaslini Institute, University of Genoa.

Sergio Giancesini

General & Vascular Surgery, Department of Morphology, Surgery and Experimental Medicine A.O.U. Ferrara. v-WIN Foundation.

Simone La Padula

Plastic, Reconstructive and Aesthetic Surgery, Naples.

Alberto Macchiò

General Surgery, "Lympholab", Savona.

Michele Maruccia

Associate Professor, Plastic, Reconstructive and Aesthetic Surgery, Bari.

Erica Menegatti

Sciences and Techniques of Motorial, Preventive & Adapted Activities, Department of Morphology, Surgery and Experimental Medicine, A.O.U. Ferrara.

Sandro Michelini

President of the Italian Lymphedema Framework, Lymphology, Rome.

Christine Moffatt

President of the International Lymphedema Framework, University Professor, Nottingham, UK.

Lidia Molinari

General Surgery, Genoa & ICLAS Rapallo.

Alberto Onorato

Clinical Lymphology, Udine.

WORLD LYMPHEDEMA DAY

FACULTY

Maurizio Pagano

President of the Italian Society of Phlebo-Lymphology, Salerno.

Giovanni Papa

Plastic, Reconstructive and Aesthetic Surgery, Trieste.

Bianca Raffo

Nursing, GVM Care & Research, ICLAS Rapallo, Genoa.

Vittorio Ramella

Plastic, Reconstructive and Aesthetic Surgery, Trieste.

Edoardo Raposio

University Full Professor & Director, Clinic, School of Specialization, Plastic, Reconstructive and Aesthetic Surgery, & Master Course on Aesthetic Medicine, University Hospital San Martino, Genoa.

William Repicci

Chairman and CEO, Lymphatic Education Research Network - New York, NY, USA.

Samir Sukkar

Director of Dietology, Gastroenterology, University Hospital San Martino, Genoa.

Mara Tacchella

General Surgery, Ospedali Galliera Genoa.

Mirko Tessari

Sciences and Techniques of Motorial, Preventive & Adapted Activities, Tessari Studi - Peschiera del Garda, Brescia.

Luigi Troisi

Plastic, Reconstructive and Aesthetic Surgery, Milan.

Giuseppe Villa

Nuclear Medicine, University Hospital San Martino, Genoa.

Marlys Witte

Secretary General of the International Society of Lymphology, University Professor, Tucson, Arizona, USA.

Silvano Zanuso

Technogym Scientific Research & Communication Manager, Cesena.
